Pastor's Report

Our focus is on four ministries we've developed over 10 years in Athens. After much prayer and desire to show the compassion of Christ, we felt led by the Holy Spirit to labor with other denominations to fund and staff these ministries: a soup kitchen which feeds 300/400 weekly. A ministry for the homeless population that feeds, offers showers and laundry facility 3 times a week reaching 100/120. A men's addiction rehab facility housing 30, feeding, job training, professional counseling to re-enter society as producers, through prayer, Bible study, and the introduction of Jesus into their lives. A college ministry feeding 100-150 students weekly, offering a building for study, accessing computers, printers, supplies, a place to meet and fellowship. They are invited and directed to share and given opportunities in prayer, Bible study, helping in community events. We preach the Gospel of Entire Sanctification. We baptize and add to the fellowship of believers. We believe we can't be the Church until we leave the four walls of our building.

Pastor's Report

Bonham Community has some really exciting things going on "outside its walls." We are involved with a motorcycle ministry outreach, a prom project for low income students around the area and are attempting to network with other local churches through community activities. God is doing great things in Bonham, TX!!!

Pastor's Report

Bruton Terrace Church is represented on the Pleasant Grove Ministers Alliance Committee where our Pastor serves as Secretary and we have hosted some of the meetings. We are participants of the DFW Faith Health Community. Under this Program we were given equipment to allow the Church attenders to check their own blood pressure, sugar, cholesterol and weight which is available for use anytime the Church is open. We have members who was trained to input information into the IRIS system which gives us the ability to make referrals to several organizations, such as Medical or financial assistance for anyone in need of help. We hosted a Get Healthy Program administered by North Texas Food Bank for 24 attenders. Four members received training and is now certified to assist the community with registering or updating for the CHIP/TNAF/ Medicaid/Medicare programs and the Church was provided with equipment. These services will give the community a convenient area to register anytime the Church is open. We sponsored a Safety Event for the public which was taught by a Law Enforcement Officer, Hospital Emergency Medical Team and a certified Mental Health Counselor on Active Shooting, Stop the Bleeding and Mental Health awareness. A non-profit organization use our facility to train community children and teens on sport activities, such as basketball. We continue to provide food items and distribute clothes to the community. Our Church participated in a community prayer event. To God be the glory.

Rev. JR & Amanda Forasteros

Since September 2014

Pastor's Report

Catalyst has been busy this year. We have continued our partnership with Life Message, with several of our C-Groups packing boxes of food to distribute to NETX families. We have also begun a friendship with the mosque in the neighboring community. We joined them for a Ramadan meal, and are planning to host them over the summer. Our leadership are planning some events so we can learn more about each other's beliefs. I have joined our city's Arts & Humanities Commission. As a part of this city organization, I am working to cultivate a community of artists in our city, and making connections with our city government, learning more about our city and its needs. We have a long history of serving in our city, but our city is growing quickly, and changing a lot. We're exploring new ways to love our city and be Jesus for them.

Pastor's Report

Through our food pantry and our partnerships with local businesses, we were blessed to hand out 144,416 lbs. of food to 6,783 individuals for an average of 21.3 lbs. per person or 74 lbs. per family. Separately, our Hunt Co. Seniors Commodity program (PAN) continues to grow. In December, we joined with the Church of Christ to distribute coats to our clients. We have been able to forge deep and lasting relationships with everyone that has come to us for assistance. Mats and funding have been provided for us to begin a Judo program for young and old alike. God has put in-place the vision and resources for us to begin a GED program for our community. This past April, we hosted our 1st Annual Biker Sunday and Picnic with 63 in attendance and a parking lot of bikes, trikes, and even a slingshot. I believe God is birthing and raising up a local ministry to bikers through our body. In March, I was approached by a local business owner and asked to lead a Bible study for his employees and serve as a Chaplin to them. God is far from done with Bread of Life, Church of the Nazarene and as long as we are open to and willing to lead in faith, God will bring about an epic revival in our little community of Commerce, TX.

Pastor's Report

This past year continued to transform ministries of Dallas First Church as we strive to be more relevant to a wide range of people. Among a number of staff changes, DFC created a Director of Media Services position to create and manage all electronic communications. We have also focused on opening our facility to our community. December saw over 900 people from our community on our property. Private school graduations and other Christian organizations continue to provide new people in our building. DFC hosted the Hispanic Women's Congress; we offer karate training - at no cost - to the neighborhood, and a bi-weekly Mothers of Pre-schoolers meeting also helps. Dallas First has a bright future as we allow God to change us.

Pastor's Report

This year we continued our partnership with Grayson County Shelter in providing goods and financial support as they aid the transitionally homeless. We continue to operate a successful bus ministry which puts us in the homes of many in our community. We have been able to serve as a support system for many of these families, including providing funeral dinners and sending kids to camp. I have been able to "chaplain" many families of the local elementary school where my wife teaches this year.

Pastor's Report

As the new lead pastoral couple at Faith Community our first Sunday was April 7th. I'm still getting my feet on the ground and looking forward to 2019-2020 and several more good years. The church and leadership team have been awesome to work with and I appreciate my friends Pastor Arlie Kyzer and Pastor Ken Stokely for their productive years of valuable service to Faith Community.

Shirley and I are thankful to be back on the North East Texas District and count it a privilege to serve both the district, local church and community as we are team players. We are blessed to serve.

Pastor's Report

We are continuing our partnership with Serenity Corner, a local homeless and addiction outreach program in Terrell. Through Serenity Corner, we are able to minister to a number of individuals with very specific needs through food donations, meal preparation and serving, and clothing and needs ministry. As a congregation, we also partner with Prison Fellowship through their Angel Tree program, providing Christmas gifts and encouragement to the children of incarcerated individuals. Personally, I serve as a member of the Ecumenical Advisory Board for Serenity Corner, and I am engaged with our local pastor's group to serve the community of Terrell as a whole. This year, I will be leading our church in an exploration of the various ministries and ministry opportunities throughout our community in the hopes of creating additional partnerships with other ministries and outreach organizations in our town.

Pastor's Report

In October of 2018, Rev. Jim Wolstenholm retired from the pastorate at Gilmer Nazarene, after almost 15 years of service in the local church. My wife and I grew up on the, then, Dallas District and are very excited to have the opportunity to lead a church family on the, now, North East Texas District. I preached my first sermon at Gilmer Nazarene as lead pastor in March of 2019. We paid our budgets in full and are looking forward to what God has in store for the 2019-2020 church year. The people of Gilmer Naz have a heart for reaching people for Jesus and are excited to start new ministries in the coming year. Helping families experience, love, and follow Jesus.

Rev. Dave & Tracie Pettigrew

Since April 2019

Pastor's Report

We are blessed to report the establishment of a church plant (church type mission) this past year – Grace Chapel. This new congregation meets in rented space in Paris, with Rev. David Pettigrew leading and preaching (in addition to also being Senior Pastor at Denison.) Please pray for God's leading and favor on this new and growing family of believers.

Pastor's Report

I give thanks to the Lord for his presence and faithfulness throughout the year. I will mention two things that have happened "outside" the walls of the church this year. I work with a group of sports officials, many of whom are unchurched or have a very scant church affiliation at best. I have been given the opportunity to be a "pastor" to many of them. Some have shared prayer requests or have come with questions of faith that correspond to their point in life. So, I have prayed, shared the good news and given some help in these situations. Also, there is the continuing work of discipleship. We have had the privilege of discipling new believers, some of this coming in the environment of recovery. With great joy, we have seen some momentous commitments made to follow the Lord Jesus Christ. Finally, we are reminded of the words of the Apostle Paul: "13 For he has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves, 14 in whom we have redemption, the forgiveness of sins." (Col 1:13-14)

Grand Prairie Family

Pastor's Report

This is my second report to this district as it has been my second year at Grand Saline. On May 2, during the National Day of Prayer, we made tentative plans with several local pastors to have a Faith Community Picnic and barbecue at the "gazebo" park in the middle of town. During the actual picnic in June, only three churches and a street ministry were represented. We also participated in the National Day Out, giving children ice pops and rubber bracelets with various expressions like "Jesus is Lord." This was one way to connect with the community.

As a faith community, we attempted to provide several opportunities for fellowship and relationship building with disappointing attendance. We are happy to report one baptism in very cold water of a precious lady thanks to the ministry of some of our ladies. Personally, there was an increased effort to connect with members, including meeting for lunch on various days with some of the men of our congregation.

At Christmas the children, youth, and youth workers put on a little program. On Easter Sunday, they once again shared a singing program and presented the gospel, we concluded with Communion. Preaching has been focused on a return to love for Jesus, others, holiness and true discipleship. We had four members go to be with the Lord, including, my former pastor John Hansen (officiating his funeral). The church is discouraged because of low attendance and financial struggles, as well as many struggling with physical health.

Gun Barrel City First

Rev. Edward & Michelle Schauer

Revs. Chad & Jacy Townsley

Since April 2017

Pastor's Report

It's been another good year here in Henderson. The Lord continues to be wonderfully and powerfully present in our gatherings and He continues to guide and lead us in our efforts to make Christ known and see lives changed for His glory. We baptized three new believers and have witnessed the transformational work of the Spirit in the lives of many in our congregation. Through the Lord's guidance, we have worked to clarify our vision and purpose, made more updates and improvements to our facilities, sought new ways to reach outside the walls of our church and demonstrate the love of Christ to people in our community (food drives, clothing & household items distribution, neighborhood outreach events, etc.), continued in our efforts to disciple children and young families, and renewed our commitment to prayer. We are deeply thankful for all that the Lord has revealed and accomplished through our congregation this past year, for we know that "Every good and perfect gift is from above, coming down from the Father of the heavenly lights…" (James 1:17). Clinging to Christ, we are excited about the days ahead at HCN.

Pastor's Report

Heritage Nazarene has an excellent food and clothing ministry that has assisted nearly 150 people this year. Furthermore, the church has implemented a program called "Love, INC" that offers benevolence, prayer, counseling and community-based resources to members of the community, and we have begun a partnership with "Family Promise," which helps families facing homelessness. Our church members are involved with several community-based organizations such as Meals on Wheels; we are actively serving in local hospitals and care facilities. Dr. O'Brien is also spearheading an initiative to follow-up with and disciple members of the Sherman/Texoma community "outside the walls" of Heritage Nazarene Church.

Pastor's Report

As a new church merger, part of our focus is reaching young adults and families in the community through digital media ministry. It is growing and providing unique discipling opportunities. Our young men are pouring their lives into a new ministry called SPAR, as they connect with and disciple men from the community through Wednesday gatherings. Men have surrendered their lives to Jesus and are being discipled as they grow in Christ. A door of opportunity opened to UT-Tyler through their business department, as we explore student internships as a way of connecting and bridging to UT-Tyler students. UT-Tyler Move-In Days provided another connecting opportunity this past fall. Our vision this year is to become an engaged church, where everyone that calls Hilltop home becomes engaged in being discipled and serving their neighborhood. This mean "re-thinking" ministry to change from a mindset of "ministry as a time and location" to "ministry as a people and relationships." An engaged pastor is needed to lead an engaged church, so I spend increased time outside the walls of the building in the community asking a simple question... "How can we, the people of Jesus, bless you and serve you?"

Pastor's Report

Irving First has been "quietly" developing a relationship with three Neighborhood Associations surrounding our church building. We host monthly/quarterly/annual meetings as well as various neighborhood activities sponsored by the associations throughout the year. Pastor Bev is serving in a leadership position in our local neighborhood. Meanwhile, Pastor Keith has been establishing relationships with neighbors, who in turn, have requested use of our facility for family get-togethers, and, on occasion, has been invited to attend. Our local neighborhood President requested we serve as a "drop-off" support site for helping neighbors "in crisis." Pastor Keith is becoming aware of many who do not have pastoral support in times of need and is considering the possibility of being available as a "chaplain to the neighbors" for those interested and those in need of pastoral care when their own pastor is unavailable.

Pastor Keith continues to connect with the City of Irving, offering Invocations for City Council Meetings annually and is also laying the groundwork for partnering with the local hospital chaplaincy two blocks from the church.

We are excited about the possibility of a new ministry opportunity connecting with neighbors interested in forming a "Spiritual Formation" group. God is truly moving in amazing ways!

Pastor's Report

Our mission is to be a community of people following the way of Jesus and learning to be present. We have had several encounters with our neighborhood through events and volunteering, but what I am most proud about is the personal interaction we continue to have with individuals in our neighborhood. Whether it's an open invitation to a transit homeless person to come inside and warm up and use the microwave or getting to know the many people who walk past our facility each day, we are committed to be present to what is directly in front of us.

Pastor's Report

We have adopted our local fire department and are trying to build real bridges to this part of our community. We are bringing them treats/snacks and visiting with them in the stations. We also have had a special service recognizing their sacrifices for us and a few special meals for them.

We always reach out to our community with our Trunk and Treat (600 came through), our Christmas parade reception (350 entered the doors) and another way we are led by the Spirit to minister to the community at large.

During Holy Week I was able to share God's Word in community worship services help at on of our neighboring churches in town.

Pastor's Report

Our ministry to the community with child care continues to thrive. We have over 40 families who come through our church building who do not have a church home. We have opportunities to pray with them and give counseling on parenting and family life. Living Hope understands that they are called to speak life to their community and to step through open doors as God leads. As a result of this desire, we have been able to give financial assistance, meals, offering temporary housing, offering jobs to the unemployed, and financial counseling. We minister to at risk kids daily. We realize that these are just some of the things we must do in order to be what God has called us to be.

Pastor's Report

Lone Star Cowboy Church of Collin county impacts the community around us in several ways. We have people committed to working our local food banks, animal shelters, and local governmental boards. Our craftsmen team (including women) did projects for needy families in our area. We assist families that have lost their homes to natural disasters, and our compassionate ministries team helped clothed, feed, pay bills, and provide Christmas for several children in our area. We even sent work teams to hurricane and tornado impacted regions. As the pastor of this church, I have assisted with many of things above, as well as, served our local schools in many ways. I also participated in a local revival held at our football stadium. Our church has a strong presence in this area, and the local people know we are here to help and assist them any way God has blessed us to do so.

Pastor's Report

This has been a challenging year, but really good year for our church. We had 21 people get saved, which is certainly something to rejoice about. We had 132 for Easter this year and the last two Sundays, we had 82 & 75. There's a great spirit in the church and we are coming back!

Pastor's Report

It is my privilege to share with you about Lone Star. This last year has been a wonderful year for the church. We have seen new people get involved in the ministry of the church and really become an active part of the life of the church. One of the goals I have had as pastor is to get more involved in the community. To get outside the church walls and do more ministry in the community. One way that I had achieved this goal is by starting a community singles group. It is called Navarro County Christian Singles. This is a ministry that focuses on giving the single's in our community a place to come together and have fellowship 2-3 time a month. On the 2nd Thursday of each month we meet at the Opry house in Corsicana for dinner, fellowship, and a worship service with music and message. We also get together on the 3rd Thursday of each month for dinner at a local restaurant. This ministry has created lots of new friends in our community. I have made it clear to them that if you look at this ministry as a dating site then 90% will go away disappointed. But, if you look at this ministry as an opportunity to create new friendships and have fellowship with other single's then everyone will be satisfied. It has become a wonderful ministry for the community as well as for our church! I want to thank The North/East District Church Of The Nazarene for giving me an opportunity to serve on this great district.

Pastor's Report

A few of the things the Longview church did this past year that was 'outside the walls' were the following:

1. Two work days at the Marshall church to help with clean up

2. Youth-led a VBS at the Marshall church

3. A work and witness trip to Houston to help with Hurricane Harvey clean up.

Pastor's Report

These are some of the activities we, as a church group, could work on during the 2018-19 period.

1. We provided food and clothing to some of the homeless people in downtown Dallas area in two occasions.
2. We have one of our members in a nursing home facility whom we visit monthly. We obtained permission, from that facility, to conduct a service inviting Spanish speaking patients there to attend. We have done this since last year on the dates we were to visit her.
3. Our church has hosted a youth service in several occasions throughout the year. This service is performed by the youth department and it brings people from churches all over the District.
4. Two homes have opened their doors for weekly cell-group meetings. These meetings are geared to non-believer family and friends of the hostess. We do a Bible study, answer to questions and introduce the Plan of Salvation. As they become more and more familiar with our beliefs, they are invited to Sunday service in our church.

Pastor's Report

This year my family and I have the privilege of taking part of the restart of this wonderful church. We are excited to the pastor this body of believers and take part in the life of a church who is so hungry for the God and wanting so badly to see Him move in the lives of the church and in the lives of the community in which we live.

While we are yet small in number we are learning how to become a church who is connected with each other in spirit, in thought, in deed, and with our neighbors. I take solace in knowing that when we remain faithful to the Lord he will grow His church in His timing. I am learning to know what it really means to wait on the Lord and to trust in his timing.

Over the upcoming months we are beginning to focus on engaging our community through some external ISD opportunities, we will also be exploring some ways in which to invite our neighbors to our facility and to share life with them. It is the belief of all who faithfully attend Marshall Community Church that we have to love our neighbors and then let God work on building his church. We believe that our church will once again be a vital and significant part of not just our community but also our NETX district as well.

Pastor's Report

This year has been a recovery year in many areas due to loss by so many of our families. In September we operated a grief ministry called "Resilient Hope" with Dr. Curtis Lewis & Rev. Chad Townsley. In October our church celebrated 100 years of ministry in East Texas! Work & Witness took us to Cactus, TX where we ministered medically, spiritually and physically to God's children there! At present we are working to connect five new families and excitement is everywhere. This year we were given seven and a half acres adjoining our property. We are excited to establish overflow parking, worship and recreational areas for our community. The Wednesday children and youth outreach is booming. We often run over 100 in this mid-week ministry. Through invitation we have combined our worship four times with other churches from three different denominations. We also shared in our community with a Thanksgiving meal, Community Sunrise Service, Two Community Revivals, & National Day of Prayer. We believe in revival and missions! There have been four mission's emphasis with missionaries this year and two revivals. One revival was lay led the other was with Norman Moore!

Pastor's Report

At Mineola we are reaching out to our school system with prayer and assistance. We have a Nursing Home Ministry. We have participated in 3 Work and Witness trips this year. We have bought Bibles and Evangelism materials for Evangelism Projects in The North Mexico District. We have had a Gideon Speaker. We have had a Missionary speaker. We have sponsored 4 teens to Teen Camp. We have built steps, trimmed trees, cleaned off roofs, made home repairs. We have repaired lawnmowers and automobiles. We have sponsored children and families in foreign countries. We have and continue to pay for school fees for a DS's children in another country. We have a counselor that stays busy. As a church we participated in the Nazarene published Advent and Lent Devotionals. Just trying to Be the Church!

Pastor's Report

We are praising God for His faithfulness at Journey Nazarene. This past year, we connected with a crisis shelter for people who are in battered and abusive relationships. Our members collected clothing, and personal items to donate for people coming into the shelter. We will continue supporting this ministry in the coming years. We have made connections with other non-profit organizations and have plans to partner with them during this next year. As pastor, I volunteer time during the week to the local food bank, serving those who come for food and supplies. This gives me the opportunity to visit, listen, and offer prayer and encouragement. We also take backpacks of food to the schools for kids in need, to help feed them over the weekend. We are thankful that God is providing opportunities to serve our community.

Pastor's Report

We have participated in the interfaith worship service every quarter and given offerings individually to help families in need. This year we helped a homeless man find a place to live in the Paris area. Our church participated in the "Cross Walk" which occurs on Good Friday every year and is a very well attended community event. The cross is carried from the grade school to the city park where a short worship time is held and the cross erected for the Easter weekend. Last fall we had a successful annual fall festival with games, bounce house, and a cake walk. We did have some attendees from outside the church family come to the event.

Pastor's Report

This past year at NewStart, God has given us many opportunities to breath His Life into our community. We ministered to two mothers and their children who have gone through domestic violence. As we walked with them through very dark and uncertain times, God drew them close to Himself. Both of those women (who were not in church prior) are now attending church and walking with Christ. Our Celebrate Recovery ministry continues to touch many lives of those in our community. It is amazing to see people find freedom in Christ in such a way they want to contribute and give back through the ministry.

Pastor's Report

We are an outside-the-walls and outside-the-box kind of church! Nexus Community is an apartment-based church in northeast Dallas. And thanks to a grant from the district, we are now renting an apartment that serves as our church office and ministry hub throughout the week

I am most excited about our prayer-walking ministry. As we walk and pray in pairs or alone through our apartment complex, we often have opportunities to meet, encourage, and pray for people, and then follow up by serving a felt need they have.

I am also excited about the small groups we are hosting at our apartment throughout the week. These smalls groups are led by members of our church and designed to leverage their interests and strengths, while at the same time meeting a felt need among residents at our apartment complex. Current small groups include: Parenting Group for moms with infants and toddlers; Finance Class for adults; & Game Night for young adults and English language learners. We also hold a monthly Hot Dog Cookout for residents.

Lastly, I am excited by the ministry of a young couple who are attendees of our church, who live at our apartment complex, and who were hired on a part-time basis by the leasing office to hold monthly social & recreational events for residents - such as our recent Valentine's Day Party in March and Easter Festival in April. These events attract numerous people and enable us to make a lot of contacts and serve the community.

Pastor's Report

We have been blessed with the following highlights: Dr. Jerry & Toni Porter shared about their ministry outreach overseas.

Victoria Williams, a junior year student from SNU spoke and North Dallas supported her mission trip to Nairobi, Kenya.

We sponsored a health fair for our community and partnered with Philippine Community Center International, providing free health screening for all who attended.

Our VBS had 30 children each night. God is blessing our lives and ministry.

Rev. Ron & Cheryl Adams

Since February 2009

Pastor's Report

I am writing this report regarding Ovilla Road Church of the Nazarene. It has been a great year of God moving in and around this congregation. I will just list some of the things that have been highlights in the ministry here at ORCN.

I continue to serve on the City Council as Mayor Pro-Tem as well as continued support in areas of Chamber of Commerce of Glenn Heights and Lancaster.

Cheryl continues to serve as Director of both the Glenn Heights and Lancaster Chamber of commerce.

Our church continues to be in their local communities. As we begin to work towards a park evangelism ministry.

We continue to operate our food pantry and minister to the needs of those in our community.

As we are amid a few issues regarding our church we know that nothing surprises our Lord and that He will continue to have His way with ORCN and the ORCN family.

Pastor's Report

This past year has been a pivotal year for PCN. The church has grown to new heights of spiritual and relational health. The people are bonded now, and a new core has formed. As pastors, we have both worked full-time and have reached out to people we work with to become part of our church family. This outreach effort has resulted in two new families in our church this past year, and both are engaging in the ministry and life of our church. We have begun a new soul-winning emphasis and are motivating our people to pray for one person each who the Lord has laid on their heart and we are equipping them with how to share their faith with that person they are praying for. Our church has joined the Chamber of Commerce and has also received a grant from Wal Mart for crisis care kits that we will donate to the local crisis center as well as to Nazarene Compassionate Ministries. Our numbers are a little lower this year than last year, but the health of our church is at its highest since we became pastors in 2008, and there is a new life and new growth and vision among our people. The future looks bright for PCN.

Pastor's Report

Nearly all of our ministry focus and efforts are done "outside the walls." Our Sunday gathering for worship is a time for prayer, encouragement and spiritual growth. From there, we step out to engage our respective "worlds". This includes support groups for young mom's; workplace Bible study; and a variety of community compassionate ministries where work is done behind the scenes in order to meet the needs of hurting people and struggling families.

I personally, have regular as well as meaningful interaction with my surrounding neighbors. My wife and I have found opportunity to build relationships with those who are out walking in our area on a routine basis and in addition, with those from our community who frequent our volleyball open gyms. This latter item has also led to an opening to "coach" a group of teens in this sport along with their life challenges

Pastor's Report

We want to thank God for His mercy and faithfulness. He has been so good to us ministerial and personally. Last year, we served Him and the community through partner with other community agencies allowing us to show God's love to them.

- North Texas Food Bank: every second Saturday of each month we distribute free fresh produce. In four of these occasions we shared the Gospel with them.
- McKinney Police Department: Tacos with the Police: we serve the community during the event held at Old Settlers Recreational Center. We are thankful that the church members served with joy and enthusiastic without ourselves being present during the event.
- Unidos Program: our people attend to the quarterly meeting to know the Hispanic community and share our ministries. Meetings are at Old Settlers Recreational Center.
- Chief of Police Advisory Council: pastor is a member of the council and attends every month to the meetings at MPD's office to discuss issues related to the community.
- Mexican Consulate: Four times per year the Mexican Consulate offer services as passports, consular id, and birth certificate to Mexican citizens in our facilities. During this time we volunteer helping people while they are processing their documents.

Pastor's Report

God deserves all the glory for what is happening at RCN! This year our focus has been towards passing the faith to the next generation. Our church has prayed ceaselessly, worked selflessly, and served continually in making our church more welcoming to young adults. As a pastor, I am overwhelmed by the willingness of the RCN laity to do whatever it takes to reach the next generation with this message of holy love! Our outreach ministries through The Network and ESL classes have allowed us to share the love of Christ with others of different cultures and socioeconomic backgrounds than we might otherwise have reached. And, the missional giving of our congregation has allowed us to reach our community, nation, and world in ways that have expanded our ministry far beyond the limits our city limits. We are excited about the future and what God has in store for us! We must be about His business. We are called to be continually in prayer and service for our Lord and Savior who has called us to proclaim the holiness message of holy hope!

Pastor's Report

This year has been an exciting year in service to our Lord. Round Up Cowboy Church has participated in many events this last year within the communities of Farmersville and Blue Ridge TX. Some of those activities include supporting the Christmas gift "Angel Tree" program in Blue Ridge and also starting our own program within our church in 2018. RUCC also provided food through our newly started food pantry and will be partnering with the school at Blue Ridge in managing their food pantry this next school year. Another ministry that we are currently looking into is a Bible ministry that provides Bibles to those incarcerated in the local facilities and the first Bible has been sent. God has opened many doors this year and has blessed all of our current areas of outreach and ministry in which He has provided over the last couple of years. Pray for us as we reach out into our communities: Mathew 7:7-8 - Ask and it will be given to you; seek and you will find; knock and the door will be opened unto you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.

Pastor's Report

The Church has adopted the teachers at our local school. We have become their church. we provide for their wish list and always bring them lunch during testing and teacher appreciation week. The church raised money for military bible sticks. They send the word to the military folks in forward areas. We support our Police by assisting with a community service for those who have lost love ones to tragic loss. We host a lunch for kids from birth to 18 years of age all summer long. We help with a drive each year for food to stock our local food pantry. The church collects school supplies for the Mayors back to school bash in the city. We are involved with and actively support: CERT teams, First Look pregnancy center, Feeding the hungry, Manna House and Soul Flight Ministries.

Pastor's Report

This has been another good year for Whispering Pines. We have seen God answer prayers in so many ways. We have had several healings as well as other important needs met for our people. We are going through the life of Jesus on Sunday mornings, which has been very helpful to our people in realizing what Jesus was really like. I have also continued to encourage our people who are basically all retired to volunteer somewhere in the community. Nearly everyone who is not physically impaired in some way is active in various areas of volunteering in our community. I am also the Executive Director for our local food pantry and benevolence organization, which is sponsored by our Ministerial Alliance. Many of our members volunteer there as well. We are trying to play an active part outside the walls of our church. Also, the spirit in the church continues to be loving and accepting to those who come through our doors.
