Pastor's GUIDE TO Scholarships

2017-2018

Southern Nazarene University

CHARACTER | CULTURE | CHRIST

This guide, while not a comprehensive list of scholarships, is provided for pastors—our partners in ministry—in order to give a more concise view of scholarships and aid that SNU specifically provides for dependents of those serving in full-time ministry in the Church of the Nazarene.

Of special interest to pastors is the Ministerial Intern Scholarship. Information regarding this program can be found at snu.edu/ministry-internship-program.

Listed also are incentives for prospective students who are active in their local Church of the Nazarene.

In addition to these offerings, General Scholarship Applications and more information about various forms of financial assistance can be found at snu.edu/financial-undergrad.

Information on admission to Southern Nazarene University can be viewed at snu.edu/admissions or contact Lee Copeland at (405) 491-6635, (405) 822-2543 or lcopeland@snu.edu.

This is available for new and current students.

Student must live in one of the university's traditional housing units, and be on a regular meal plan. Full-time Nazarene missionaries are eligible to receive a \$6,000 scholarship annually.

Full-time Nazarene pastors or associates not on the SNU region are eligible to receive a \$4,000 scholarship. The amount will be applied half in the fall and half in the spring semester.
