

NYC UPDATE – Service Projects and Event Info

Feb. 22, 2019

Happy Friday!!! I pray y'all are doing well and staying as dry as you possibly can with our crazy weather.

It is only 137 Days till we leave for NYC. That just blows my mind!!

We have 110 from our District going!! I love that so much!! So exciting.

There are over 8,000 registered for NYC. I know this is a lot of numbers but for me they are truly exciting numbers!!

Chip and I will be heading to Phoenix next weekend to get the last bit of information, the lay of the land of what we will be doing while there, and a bunch of sitting listening. But it is all for you and I could not be happier. I cannot wait for us all to be in Phoenix together!!

So this email is full of exciting news so why not share some more.

We are blessed to be apart of a wonderful ministry. "PACKED WITH LOVE"

Part of what we pack to go to NYC will be backpacks that we fill with school supplies.

This will in turn be passed out to students and schools through the Phoenix area. There is a flyer attached to this email that you can print to share with your youth group, church, all social media friends. Wouldn't it be amazing if we took a backpack per person? That would be 110 students we would impact. Wouldn't it be amazing? All the information for this ministry is on the flyer. I love that the NYC council chose this for our project with the city.

I can tell you Phoenix is beyond excited NYC is coming this summer. They were ready for us last year.

I hope this put a little pep in your step for NYC. A new excitement for what God is doing and continuing to do.

We North/East Texas are in the very midst of it all.

Thank you so much for sending in your payments regularly we greatly appreciate you.

With your payments we are able to take care of the entire trip. We do the work and you get to enjoy it with no stress. The best situation for such a big trip in my mind.

From our NYI Executive Council, we greatly thank you for all you do with your teens, church and our District. God is working through this District because of your willing heart to be a vessel.

If you have any question, thoughts, concerns or anything please do not hesitate to contact any of us.
