Pastor's Report

Athens Church of the Nazarene, "United With One Another" in our Community was the decision we made as the Church. We were sensitive to an overwhelming need to care for the indigent and homeless population in our city. Many found themselves homeless due to various circumstances. Some by poor choices or addiction, some by uncontrollable events. We began working with at least 5 other churches buying or leasing and renovating properties strategically located in the city to meet such needs as: daily meals/food, clothes, housing laundry/baths, help in getting identification and credentials for employment/medical services and marital, family, and financial counseling to put their lives together again. In this process whenever possible, we introduced or re-introduced these individuals and families to the "One" Jesus that could make all of our efforts and their restoration a reality. The One True God that cares about all people, and wants to spend eternity with them. This is an ongoing process because those who were on the street were not convinced that God cared for them anymore, or if He ever did. Through compassion and a belief that, at the end of the day, we should give thanks and praise to the "One", God's only Son, has made our endeavor a possibility! Thanks be to God, for Jesus His Son, for He is the "One" that makes it possible to keep getting this done. Amen.

Pastor's Report

Our church has practiced regular outreach in order to "seek and walk with the One lost" through our biker ministry, our senior prom dress project, benevolence projects, and Christmas and Thanksgiving projects to feed and provide gifts for poverty stricken families. We have also provided a place for spiritual counseling and prayer during the Covid-19 pandemic. We have seen very good results from our efforts, have grown closer to each other, and are excited about what God has planned for this next year!

Pastor's Report

As we focus on "All about the One", Bruton Terrace Church partnered with Catholic Charity Ministries in providing food for those in need. We provide meat, vegetables, fruit and milk/juice to 150 to 233 families once a month. This has allowed the community to see the work of Christ through the Church. We also provide Mental Health First Aid Training organized and taught by certified instructors from UNT. This training is designed to teach the students how to identify and assist those who may show signs of mental health issues. Through Parkland Hospital Mobile Unit, Breast Cancer test were given to those in need. These programs are for the purpose of helping others in need as Jesus demonstrated. We are grateful to the Lord for allowing us to be a part of these as well as other great ministries. We believe that people are being equipped through these resources.

Rev. JR & Amanda Forasteros

Since September 2014

Pastor's Report

We have offered multiple formation opportunities that have been All About the One. We did evangelism training in our series "Good News (for a Change)" that equipped our people to engage in spiritual conversations with their friends who are not believers. We have also been building a relationship with the mosque in Sachse, through attending a Ramadan meal with them and hosting them for a bbq at our church building.

We spent last summer working through the foundations of faith as found in the Wesleyan quadrilateral, and concluded with a What is the Bible event full of discussion and prayer.

We are currently finishing up a Bible Study on the book of Revelation that has been focused not on the End Times, but on how we can be faithful disciples in public, including a strong emphasis on evangelism and care for those outside the faith.

Our congregation is excited about the future. We continue to pursue real cultural diversity in our worship space (not only ethnic diversity). Since Catalyst turns 15 this year, we are planning to hold a Quincenera once we are able to gather again.

Pastor's Report

Through the ministry of our food pantry, God has allowed us to walk alongside those that are in need and searching for an answer. Some have been strong Christians and simply wondered "Why?" while others had no concept of the love of Christ. We were able to show all that the love of Christ is not unique to just one people group but is extended to all.

Pastor's Report

Searching and Walking with the One
Community Involvement

Dallas First saw a number of advances in community involvement in the 2019-20 year.

- Membership in the DeSoto Chamber of Commerce provide many opportunities:
 - Recognized as 1 of the 2 longest continued membership:
 - sponsored meal recognizing service for Police and Fire Depts
 - Connecting with owners of new business
 - Connecting with the Police Chief concerning building safety
- Connecting with the Mayor and Council members
 - Mayor and Council member attending worship service
 - Collaboration of other City projects
 - DFC 20th Live Nativity attended by Mayor, requesting photos to post on website
 - DFC awarded the Mayor Best Decorated building, relative to the Christmas season
 - Community leaders of 2 significant City initiatives have become regular attenders
 - Pastor is 1 of 4 chosen to lead National Day of Prayer meeting
 - offered building use by others: private school Christmas programs, graduations, piano recitals; funeral services for approx 20 community families

Pastor's Report

We focused on "Encouraging and Equipping the Called" by offering two training courses this past year:

1) ALPHA - Two "semesters" were offered on Wednesdays with 20 to 24 participants in each 12-week session. Believers were challenged to clarify their understanding of 1) Who Is Jesus; 2) Why He Died; 3) How to have Faith; 4) Why and How to pray; 5) Why and How to read the Bible; 6) How to Resist Evil; 7) "Why and How to Tell Others" and other foundational truths. A day focused on the Holy Spirit gave participants a deeper understanding of who the Holy Spirit is, what He does, and how to be filled with the Holy Spirit.

2) LIKE JESUS discipling - A 12-week leaders training, followed by a 12-week participant training of the Like Jesus discipling resources was held on Sunday evenings in the fall and spring along with small groups for men, women, youth and children. Our theme is from 1 John 2:6 - "Those who say they live in God should live their lives as Jesus did."

United with One Another-

We are so thankful for the way in which God has blessed us financially at Faith Community and we wanted to be a blessing in return. We partnered with another church on the district that needs a church van to help do ministry in their community so we donated \$15000 as seed money so they could have a healthy start to raising funds to purchase a new church van.

Pastor's Report

Our "All About the One" activity has focused on finding ways to reach out to the community that don't necessarily involve having a "church event" or an event that pushes "our church" into the community. In September, we hosted a church vision and mission facilitator who took us through the steps we needed to develop a mission and vision for our church. The mission statement we settled on was "Live and Love Like Jesus." Jesus ministry was not about calling people to him so that they could meet God. Instead, he took God out to the people and revealed Him personally. With that idea in mind, we have started engaging in activities with the community such as park clean-up and hosting the Red Cross every two months for a blood drive using our facilities, and we are looking for more ways we can reach out into the community in the hopes of being Jesus in the world.

Pastor's Report

As the pastor of Gilmer Naz, I have been on the look out for those called to ministry, as we need people who are called to and passionate about our children and teens. Although we don't have any in our local congregation who feel called right now, I am mentoring a college student from Kansas. We have regular discussions about preaching. The need to place my sermons online during the covid-19 pandemic has actually been a blessing in this area. I am able to share my sermon notes and my recorded sermons with this student and then we discuss methodology and delivery styles. Gilmer Church of the Nazarene has grown in unity and purpose over the past year and is ready to start the 20-21 church year searching for and walking with the One lost. God has blessed us abundantly and we are moving forward with hope!

Pastor's Report

Serving as Interim Pastor during a time of transition allows me the opportunity to shine a spotlight on the good folks of the Gladewater church without claiming any credit for myself. A spirit of harmony and cooperativeness pervades this loving congregation as they band together to serve their community. A monthly distribution of clothing and a free soup kitchen give the church a platform for sharing God's love. They truly are United with One Another in serving Christ by serving their neighbors.

In response to the COVID-19 Pandemic, the phrases "social distancing" and "shelter at home" became part of everyone's vocabulary. The end of the church statistical year saw the Gladewater congregation unable to serve in the ways to which they had become accustomed, but they set about taking the necessary steps to resume in-person gatherings and the operation of the free soup kitchen as soon as community guidelines allowed.

Pastor's Report

I give thanks to the Lord for his presence and faithfulness throughout the year.

In an attempt to encourage and equip the one called, we have had an emphasis dealing with realizing and keeping our "divine appointments." What is a divine appointment? It is those special times in our lives when the Lord places us in an exact place at an exact time to be "Jesus" to someone in need. This can happen at our place of work, in the marketplace, in the home or in the neighborhood. Each of us can minister and serve those in need and be a positive witness for Jesus Christ.

As we do, we are reminded of the words of the Apostle Paul: "14 Do everything without grumbling or arguing, 15 so that you may become blameless and pure, "children of God without fault in a warped and crooked generation." Then you will shine among them like stars in the sky 16 as you hold firmly to the word of life." (Philippians 2:14-16a)

Pastor's Report

In trying to be United to One Another and walking with the One lost, we provided a hot dog supper/block party at a lady's house who has been faithfully attending our church service. We provided flyers and the lady used those to invite her neighbors. On the day, we had 28 in attendance, which about half of those were church members and the rest were the neighbors. It was a great time of "getting to know your neighbor" and fellowshiping with each other. Many of the neighbors made positive comments including, "this was a great idea we should do it again." There were several of the neighbors who had never met each other even though their homes were only a few feet away or just across the street. Another outcome from this event was the lady's daughter and family attended since they live on the street. The daughter had been angry with and estranged from her mother. The two of them began to talk a few days later in order to work on their relationship. We are praying that their relationship continues to improve. This is something we intend to do about once a quarter.

Pastor's Report

Since the out break of corona, the church has been changed in the ability to pull together as a group and working thru channels of the church to meet an individuals need, The calling on others on a regular schedule. Quit assuming someone is ok and point blank ask and get a response. A neighbor watch more than the normal smile and wave, making that effort to reach out even if that means being nice to them. Showing we care with cookies or a plate of food and a prayer.

Pastor's Report

HNC engaged in all facets of the NETX mission. I'll share about the first: "United with ONE Another." God's Vision for our church this year was "GROW." The Lord showed us that we must "grow together" - edify & strengthen the church, based on 1 John 4:11, Romans 12:10 & John 15:12 (Growing in Love). The Holy Spirit helped us focus this vision on Acts 20:20, "The teaching is given both publicly and from house-to-house..." Although our public ministry (corporate worship services & missions) has been excellent, we needed to grow stronger in our ability to practice our faith, growing in grace alone and together in small groups. Interestingly, the COVID-19 quarantine only advanced this vision and helped us. We were given the encouragement, study tools and techniques that got us into the Word and into prayer. As each member was growing, our sense of purpose and unity has grown.

Pastor's Report

Searching & walking with the One lost... We saw lives changed and transformed through our men's SPAR ministry this year. Weekly SPAR discipleship gatherings combined with two Bootcamp weekends saw 7 new men to Hilltop encounter Christ and the freedom to take off their masks and live fully in who Christ says they are. God is using the SPAR ministry to ignite a fire the lives of many of our men that is transforming their homes, marriages, and our church and community.

Encouraging & equipping the One called... We are privileged to have 3 men receive a local minister's license and 1 man with a district minister's license complete his degree online from Nazarene Bible College. We are seeing people respond to the voice of God as He calls and empowers people for ministry beyond their wildest imaginations in the community and culture where He has already planted them.

Pastor's Report

For many years, J. D. had been on our prayer list. He was chronically sick in body and had no real use for God or Christ's church for over 25+ years. However, this past year his health declined significantly. By November, we began receiving frequent calls asking for prayers and visits whenever possible.

On December 6, 2019, I was asked to stop by the house for a visit. J. D. said he was filled with so much fear and loss of hope. And then quickly added that he wanted the Lord in his life but he didn't know how. After sharing the gospel, I witnessed J. D.'s new birth.

Discipling has been a challenge, especially with COVID-19. But when we make connections, he affirms that he still believes and loves Jesus even though he is weak. Praise the Lord for persistent prayers for the lost! God answers repentant prayers!

Pastor's Report

BCV (Before CoronaVirus) we entered into a partnership with our neighborhood elementary school to practice extravagant generosity. We have supported them in a variety of different ways, but this year, we planned to forgo our Neighborhood Easter Festival to offer our time and financial resources to them to help with their end of the year celebration for students and parents. When it became apparent that the celebration was canceled due to the pandemic, we decided that we would offer the budget to the school for Teacher Appreciation. During tough times, it is easy to hold tightly onto what we have for we don't know what is to come. Yet still, Jesus calls us to live with open hands no matter what external realities present themselves. It is our responsibility to leverage what we have to empower others whether in the middle of a pandemic or in business as usual.

 Pastor's Email: dixieparson7@aim.com

Pastor's Report

During this past church year, Kilgore has made a very conscious effort to reach the lost by walking with them.

We have taken the concept of "friendship evangelism" and have not only explored it's meaning in depth but have innumrated means of practical application to our neighbors and acquaintances. We have sought to purposefully befriend those who are lost so that by actively loving them we earn the right to speak to them of the difference Christ makes.

It is only in being the hands of Jesus and demonstrating the heart of Jesus that we as His disciples can bring others to him that have not taste for "religion".

This has resulted in our people's spiritual growth and progress toward reaching new people previously un-reached by this church in our community.

Pastor's Report

Dear brothers and sisters, at the beginning of the church year we were challenged by our district Superintendent. He shared the message All About the One. worship team starting focusing on prepare worship to please The One and only who is worthy of praise. The congregation was called to bring sacrifices of praise to our God; our praised is focused on The One who loved us first. The messages shared through sermons, bible classes, small groups, prayer groups, discipleship groups, women's bible studies, children's church and youth were encouraging one another to seek unity. As we read in 1 Corinthians 1:10 "I appeal to you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you be perfectly united in mind and thought."

This theme has also encouraged some to join study groups for leadership training. We praise God for His work among us. He has helped our congregation remain together through difficult times. To God be the glory.

Pastor's Report

The Lone Star Cowboy Church of Collin County has been focused on "The One" this past year. We have relaunched our youth group to connect with the youth in our community. We held VBS for the first time, that included a fantastic attendance. We also discovered there were a group of people that did not have a means to worship. So, we decided to launch a new satellite church at a retirement village called Evergreen in Rockwall, Texas. LSCC at Evergreen is now ministering to 250 people. We average 50 a Sunday in worship.

Pastor's Report

This past Assembly Year has been a very encouraging year for us at LSCC Grayson & Cooke Counties. We had 22 people saved, 7 baptized, and averaged 72 in worship. We were able to get our Arena up and running and to have Dr. Wentworth to come and dedicate it. We are excited about the ministry that will take place there as we endeavor to Make Disciples in the Western Heritage Culture.

We had a beautiful pipe fence and new church sign built and donated by some of the wonderful people in our church, which adds greatly to the appearance of our 20 acre property. We have been having worship on Face Book live and now, live in the parking lot. The Gospel continues to go out to our area.

Pastor's Report

It has been another great year at Lone Star Cowboy Church. It has been a year of growing as a close church family and a year of learning what it means to live in Christ.

This year the church has had the opportunity to work very closely with a young man who had just been released from prison for drug related issues. I have truly enjoyed becoming close to him and his girlfriend. You can see first hand how God can mold and shape those who have been lost for such a long time. This couple have become a big part of our ministry team. You can count on them to be a every service and activity that the church is putting on.

God had given our church a real spirit of peace with one another. We have a variety of different people and backgrounds but everyone seems to very accepting and loving of one another.

Pastor's Report

This year the church board issue a local license to a young lady who has her degree from NBC. We are currently working on a job description. She enjoys the following areas of ministry:

- Leading the Love and Respect class
 - Leading the Financial Peace class
 - Providing resources for couples and families
 - Reaching out to teen girls and leading a small group with them, possibly adult women also.
 - Teaching the children's summer program
 - Encouraging teachers and others in various areas of ministry
- We are looking forward to developing and guiding her and these ministries.

Marshall Community

Rev. Gary & Amy Crabtree

Since: January 2019

Pastor's Report

This year at Marshall Community Church we have had the great pleasure of experiencing many firsts. I have had a really hard time focusing on the "one" example to report on. Then I had some conversations with other pastors and came up to the realization that I needed to write on Encourage and Equip the one called.

During the 1st semester at East Texas Baptist University here in Marshall, TX. I had the ability to work with the Director of Music Ministry and pose a question to him of assisting us at MCC with a student who is wanting to be a worship leader and the possibility of us working together to give the church a new and much needed change. He was very excited at this opportunity and sent me two names and we interviewed both candidates and we came to the agreement on our current song leader Brooke Jehle.

Brooke has a heart for not just music ministry but ministry as a whole. She was excited to assist us in the future with teens, a new college ministry and of course expanding her knowledge and experience in leading worship for a church. Her heart is amazing and through some in depth conversations we have both come to the understand that her call into ministry is undeniable and we are, as a team, going to nurture this call and see where it takes her in life. She understands that ministry is a calling not a job, and that it is also not to be taken lightly or flippantly. She is prepared for and sadly, has already experienced, some of the trials and tribulations that come when you answer the call of God for your life.

In short, at Marshall Community Church, we are excited to have a new, bright, enthusiastic, and talented minister who has answered her call into ministry. We are, with all our abilities, encouraging and equipping Brooke to be the best minister she can be for the Kingdom of Jesus.

Pastor's Report

Searching & Walking with the one lost is the best way to describe the unity with which Martin's Chapel has operated these past 12 months.

A new "Game Time" was implemented on the Third Thursday of each month where we met together with the Prime-Timers of our church to share a meal, occasional devotion and table games. This was attended by new seniors that we were intentionally inviting to the church as well as people who had been on our prayer list for a long time.

We also had great success with our "Men's Ministry Fishing Trip," with several men adopting boys in compromising situations and bringing them with their sons so that they could have Christian Fellowship and see hope for their situations.

We also met the financial need for a community family who has a child with special health needs, by having a fundraiser where \$11,936 was raised through a fish fry and Silent Auction. This provided a Generac generator to supply power for the family where consistent power is spotty.

Pastor's Report

Through the year we have intentionally worked to begin the process of "Being About the One":

- * Encourage and model home gatherings.
- * Movie nights for youth and families
- * Through preaching and teaching, regularly invite and encourage members to seek out the un-churched and develop relationships.
- * Involvement with city compassionate ministries such as food bank, shelters, etc.

Pastor's Report

At Mineola we are trying to bring about the Kingdom on Earth as it is in Heaven. We are currently broadcasting the pastor's weekly messages on the internet. We have a Nursing Home Ministry. We have participated in 2 Work and Witness trips this year. We have bought Bibles and Evangelism materials for Evangelism Projects in The North Mexico District. We have had a Gideon Speaker. We have had a Missionary speaker. We have sponsored children and families in foreign countries. We have paid for school fees for a pastor's children in another country. We have packed Care Kits. Just trying to Be the Church!

Pastor's Report

Paris New Life continues to stay involved in the community through the Blossom Ministerial Alliance. We have been part of the quarterly Blossom Interfaith Worship and hosted the service once with Pastor Gentry speaking. Also, we have contributed \$500 this last year to help in various individual and family needs in our community. One great example was a man who had a wife dying of cancer. Our alliance and the community came together to raise 2 weeks salary for him so he could take time off the job to be with her in those last few days.

 Pastor's Phone: 469-664-5777
 Pastor's Email: Jamie.@NexusDallas.org

Pastor's Report

In 2019-2020, we engaged in the following activities to carry out the call to 'Encourage & Equip the One Called':

1) Nexus Community served as the host site for a missions class from Criswell College consisting of 1 professor and 9 students. Over a span of 7 weeks, the class met weekly at our church apartment or other site at or near our apartment community. The class engaged in practical ministry with our church, and gained field experience and practical knowledge about how to engage the Afghan community with the Good News of Jesus.

2) Nexus Community became the parent church of South Asian Nazarene Fellowship in order to help support and raise up a Pakistani, Urdu-speaking Nazarene fellowship. We intend by God's grace to partner with Ranil & Merub Jacob as they develop themselves as Nazarene ministers and as they seek to lead their church to make disciples of Jesus.

3) Before the shelter-in-place order, I was meeting weekly at our church apartment with a group of ministry-minded men for mutual encouragement and mentoring. The group includes 3 Americans, 1 Pakistani, 1 Indian, and 1 Iranian.

4) I continue to pray and seek after "the One" person of peace among the Afghan community that God is raising up to lead a disciple-making movement in his family and reach out into the Afghan community. Nexus Community has partnered with Refugee Service of Texas and GoTen to begin an English class for young Afghan men living at St. Croix apartments.

Pastor's Report

On October 20, 2019, a tornado destroyed a large section of the Dallas community we are in. Our church was not touched at all. All around our church looked like a war zone.

One of the congregations near us lost their rented building. Central Christian Missionary Church now worships in our sanctuary. They are a Spanish speaking congregation with many young families. Their congregation is about 100 to 120 people. Their main concern is coming to our facility was how much it would cost. We have not required any payment from them.

Our congregation has seen an increase in Spanish heritage worshippers since October.

Pastor's Report

This last year at PCN has been a blessing. The church is coming into a new level of spiritual health, and the people are bonded as a strong church family on a new and deeper level. This past year, we were blessed to donate crisis care kits to the local Rotary Club members who were collecting items for foster children. We currently have plans to create individual bags of things such as chapstick, hand sanitizer, and hand cream to give to cancer patients undergoing chemotherapy at Texas Oncology in Palestine. We have also been blessed with a lay minister who, not only leads worship, but also is now wanting to speak some. We are fostering his budding gift and allowing him to occasionally speak in our Sunday morning services, as the Lord gives him messages. We are blessed to be completing our twelfth year at PCN and looking forward to the future.

Pastor's Report

This is my 9th and Final report as Pastor of Pittsburg. We have paid our budgets in full all nine years, and have shown growth in 7 of 9 years.

With the help of Saul Garcia from Monte Ararat, we are now hosting a Spanish speaking worship service on Sunday evenings, with the intention of reaching more Hispanics in the Pittsburg area. We are excited about this new area of ministry and growth.

We are thankful for our time in Texas, and leave behind many good friends and great memories.

Respectfully submitted:

Pastor's Report

This past year our community of faith has continued and enlarged our work of "searching and walking with the one lost". The emphasis has always been on worshipping together in order to gather, grow and then go into our world to represent Christ and minister to others. Strategically though -- Others Need Encouraging -- we challenged our people to consider two ideas: reaching those in their immediate neighborhood; and, interacting with others as a part of a non-religious group. Within the neighborhoods, the concept was to contact each neighbor, connect with them and then assist them in some manner. Then, in the group settings, the idea was to interact with others in order to relate to them and subsequently, to demonstrate Christ to them. Through these two methods of encouraging others, people around us have experienced the love and grace of God as well as the essence of His compassion, forgiveness and acceptance.

Pastor's Report

Covid-19 will likely dominate our memory of this year. But, in the difficult days, being forced to view ministry differently has opened up new possibilities. As a result of Covid-19, our people's passion for and involvement with our local food bank has increased dramatically. Also, RCN has continued a strong emphasis on ministry to the Cityline area. While the spring activities in the Cityline quad were cancelled. Earlier events in the year allowed us to be outside our church walls reaching many ages and having impact on the businesses there as well. Finally, despite the alterations in our worship patterns, we have maintained a commitment to pray consistently for our neighbors in the apartments near the church. Through it all, we have seen the hand of God guiding and protecting us as we share His gospel message and the hope of holy love.

Pastor's Report

This last year our church began visualizing "All About the One" with our first ever VBS in which our goal was to win one child to the Lord and encourage being "United with One Another." We achieve that goal as a young man 10 years of age came to Christ for the first time along with other children who ask many questions for the first time about salvation, baptism, and what it meant to be a Christian. We also had a series of "Playdays" in our arena in which we gave out belt buckles to the winners of the "Playday" events with the message inscribed on the belt buckle - "All About the One." Our church message or logo quickly became - "Win them One at a time. That was our church goal for the year and will continue to be the goal of our ministries in the future. (Submitted by Rick Emmert, former pastor)

Pastor's Report

It is an honor to start first Pakistan Urdu speaking church of the Nazarene as SANF in Dallas. Our people are mainly comprised of Refugee families. Most people here are either in cultural shock or trying to adjust to the situation. It is very important for me to balance the Pakistani and American culture at the same time. I found points of connection between people in my church and people from the local Nazarene Church in Pakistan. I share the stories and testimonies of the People of Church of the Nazarene in Pakistan. I share with them that despite severe persecution how strong believers they are. Pakistani people want to be connected to something that's meaningful and makes their lives better and having examples helps. This is how I build local identity to create a sense of belonging so they will figure out what it means to be Nazarene. Before the pandemic we aligned our activities where we meet weekly and have fellowship consisted of praise, worship and study Bible followed by dinner. I make sure to take both cultures side by side therefore we had meetings both in Urdu and English language. We are in very early phase as we are trying to setup the things very quickly. Sunday service is good where through the guidance of Jesus we prepare sermons and encourage people to prayer, being watchful and thankful. I encourage the people that how different it is for them to be a Nazarene and how they can serve the community in better way to be the right witness to neighbors and people whom we contact on weekly basis. We setup strong Sunday service to equip people through sermons and are in process of setting the Sunday school and women ministry. I established contacts through phone and personal visits. During the pandemic people are afraid to go out so we are doing online Sunday service. Please pray for SANF. Blessings.

Pastor's Report

This year we teamed with Our Local Police department. When people need community service. They are assigned to our hospitality team. They serve the church on Sunday mornings. Which allows them to sit in our service while they are receiving hours. We have had one of the gentleman recommit his life to Christ. Then one of the ladies recommitted her life and has become a regular at TSHN. Reaching the one for Jesus. We have sponsored Soul Flight Ministries and First look pregnancy center both financially and with facility repairs and construction. The Lord just keeps opening the door and we will just keep stepping through.

Total Raised	2019-2020
	\$203,125.00

Giving to Others

Pastor's Report

In church year 2019 - 2020 our church is focused on the the life and oneness of purpose that Jesus displayed when he lived here on this earth. His dedication, commitment and perseverance to his mission that God the Father gave Him is the prime example for all of us to follow. Challenging ourselves to model this purpose of dedication to Christ and to then go make disciples of other as they see Christ in us is a challenge we have accepted in oneness of faith as a body of believers.
