Speaker: Dr. Wanda Bolton-Davis, Speaker | Teacher | Author | Discipleship | Trainer | Coach. Even as a young child, Wanda had a sensitive heart for God. She accepted Christ at the age of 12. She grew up in a Christian home, which laid the foundation for her continued personal relationship with the Lord. She was intentional about her personal spiritual growth while she diligently served in ministry alongside her husband. When her 35 year marriage ended in divorce, Wanda thought her ministry was over. However, through God’s love and grace, Wanda learned that God would use her brokenness to minister more deeply to the brokenhearted.

With over 25 years of ministry experience, as a published author, counselor, and discipleship expert, Wanda has discipled thousands, and provides discipleship training and leadership development across the country. She is the proud mother of 3 adult children, has a wonderful son-in-love, and one grandchild.

Worship Leaders: This year we are blessed to have the Worship Team from Connection Point Church to provide our music for FaithLift 2023. They are a group of singers with anointed voices and sing beautiful songs unto the Lord.

Gift Baskets: Once again we will have our gift basket auction. We are asking each church to provide a basket filled with snacks, toiletries or whatever you deem good that we can auctioned off. The proceeds will go to help two organizations that help women in crisis situations. We need your help. Please bring a filled basket to auction for this need. Also bring funds to bid on these beautiful baskets so that the funds can be raised. Last year we were able to donate \$1000 each toward two great organizations, thanks to the wonderful and generous ladies on our District. We would love to make this happen again this year, but we cannot do it without you. Please text or email Marlene (see below) to let us know that your church will donate a basket. Thank you.
