## ESSENTIAL CHARACTERISTICS AND OTHER MINISTRY STATEMENTS

Item numbers 22 through 36 should only be completed by the pastor.

If the church is currently without a pastor, these statements should be marked "No Pastor". Most of these statements are based on the essential characteristics of a Nazarene church as described in the document [Nazarene Essentials](#). When responding to the statements, try not to overthink your answer. Every church will have people who are distributed over the range of possible responses. Also, someone pastoring a church of 50 will have a different perspective on these statements than someone pastoring a church of 500. The pastor's response to each statement should reflect his/her general perception of how the local church is doing.
