

To the North/East Texas District Nazarene Family & Friends,

UPDATE from the District Advisory Council: The DAC met on April 7 after we received a list of nominees with biographical data from the USA/Canada Regional office. This was a compiled list of all the nominees (submitted last month by pastors, laity, and DS's around the region) that the DAC might consider for our next District Superintendent. Please remember that at this point the names of candidates will be confidential.

We have prayerfully reviewed that list and prioritized the nominees. The Board of General Superintendents (BGS) will now be reviewing this list and they may add or remove names from the list based on their information and experience. The DAC will then prayerfully consider the resulting list to determine those who will be interviewed. The goal is to arrive at 2-3 interviewees on May 5 when we will meet again with the USA/Canada Regional Director Dr. Jeffrey Johnson and GS Dr. David Busic. Interviews would then be conducted in June.

The timeline graphic below shows the key dates in the DS transition process, aimed toward the DAC bringing a recommendation to the District Assembly in July. Information regarding the DS transition will be updated regularly on the district's website at <https://www.netxnaz.net/ds-election-transition-2026/>

PRAYER is a key component in this process!

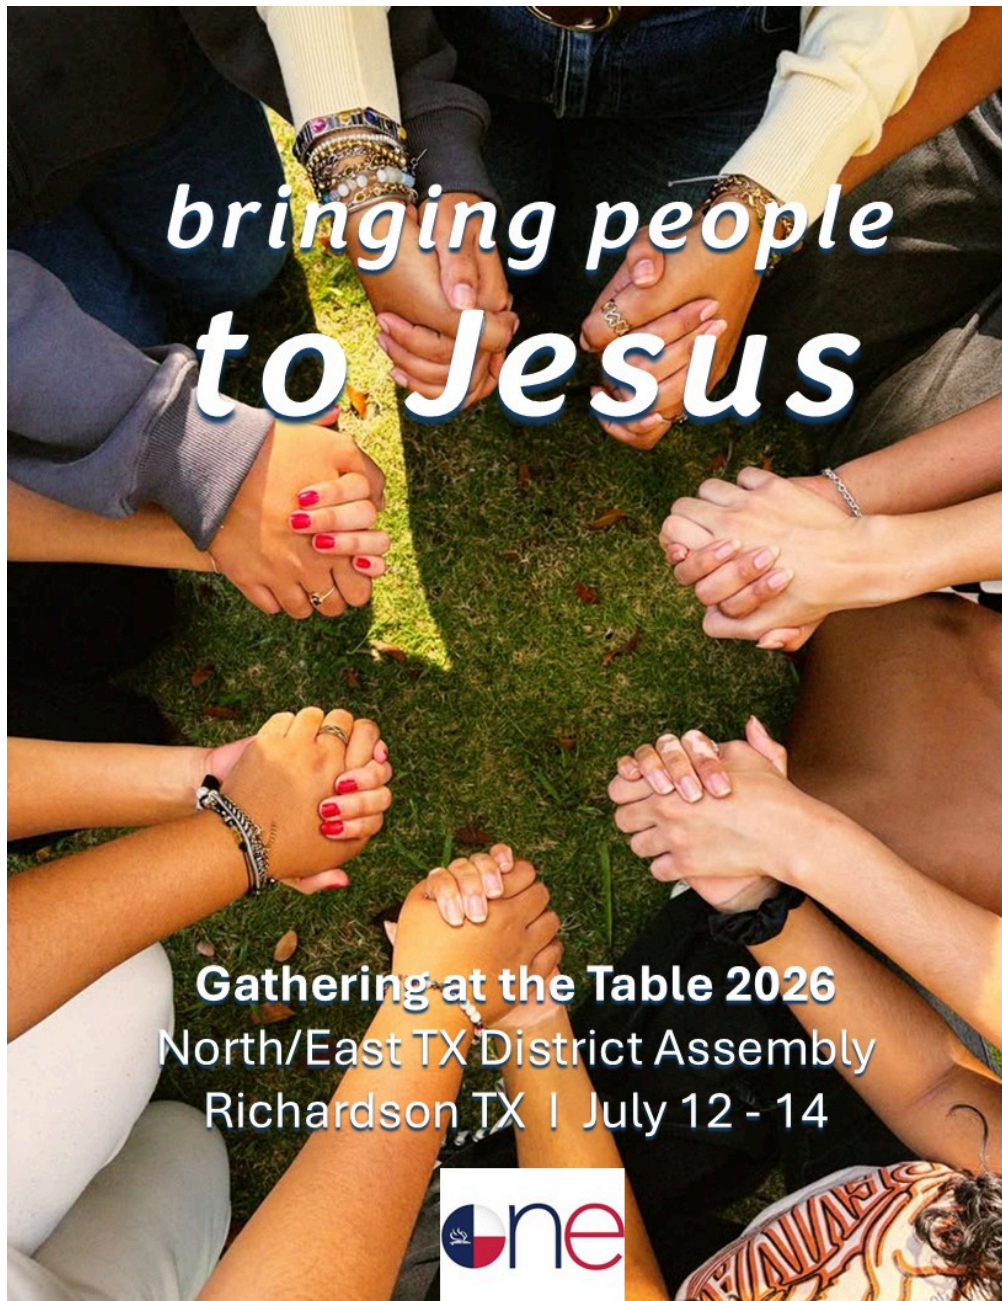

As we enter the next stage of seeking a new District Superintendent, please engage as a district family in praying for:

- Hearts to seek wisdom as we nominate candidates The families of those nominated as they seek the Lord's will
- The district leadership as they seek wisdom on who should be nominated
- The regional leadership as they give counsel to the DAC
- The General Superintendents as they seek wisdom in guiding this process
- as well Keven and Pam as they continue to lead our district and seek God as to what their future holds
- God's Will to be clear to the DAC throughout the process (Romans 12:2)

Please continue in your personal prayer time....

- Please set a personal alarm for 12:02PM each afternoon and pray.

Save the Dates:

Includes: Election of a new D.S., District officers, and delegates to the 2027 General Assembly
